

## Imagine a world free from barriers for women and girls . . .

Thanks to your support we can! Your continued help promotes self-reliance, economic independence, and leadership opportunities for all women and girls. Your investment helps Chrysalis Foundation change the systems and policies that limit the potential of all women and girls, as we remove cultural, educational, societal, and political boundaries.

## Get involved – big or small

Please check those areas that most interest you. Leslie Garman, Chrysalis' Director of Development and Communications, will contact you to discuss how you can make a difference.

Volunteer...

- I would like to assist in the marketing or communications efforts  
(e.g. graphic design, photography, newsletter, web design or public relations writing).
- I would like to help with a special event or fund raising efforts.
- I would be willing to share my expertise as a speaker to girls in Chrysalis' After-School Program.
- I could volunteer in some way, but am unsure how.

Share Chrysalis' message...

- I have a friend whom I would like to introduce to Chrysalis.
- I am willing to host an informational meeting to introduce others to Chrysalis.

Learn more...

- I'm involved in business and am interested in the Chrysalis Foundation's Business Partner Program
- I'm interested in learning how I can help the Chrysalis Foundation.
